## Texas Lions Camp Cook-out Aug 3

Our program today was the musical stylings of

Dr. Mike Middleton and Clayton Capps. When Dr. Middleton is not hanging out with Clayton he is the Director of Nuclear Medicine and Professor of Radiology at Scott & White. Mike is also a Tubist and is why

he likes to combine accordion and tuba performances.

### Why the Middletones?

Periodically Mike performs with his family, wife Darla, and their three children Meredith on harp, Lance on drums, and Mitch on base. When perfor-

mances include his children they are affectionately called " Mike and the MIDDLETONES ".
