TODAY'S PROGRAM:

Temple Children's Museum .

June 15, 2022

Mission

Our mission is to create a community which sparks the creativity and curiosity of young children through hands-on learning and interactive play.

Vision

To provide a place where families can engage in play that inspires a love of learning, with a significant focus on interaction between parents/adults and children. Rather than focusing on observation, the exhibits engage families in collaborative experiences. Our vision is to grow into a destination museum that meets the needs of the local community, draws in seasonal visitors from neighboring cities and attracts travelers off Interstate Highway 35, thus contributing to the overall revitalization and economic growth of Temple.
