Today was the first time we were able to meet in person as a club for almost three months! We welcomed Michael L. Rousell's timely presentation on social equality in America. Mike is a CPA with Brockway, Gersbach, Franklin & Neimeier P.C. He is a 2009 graduate of Tabor College where he

earned a Bachelor of Science in Accounting and obtained his CPA certification in 2014. He started his professional career at a firm in Kansas. He focused on the preparation of income

tax returns, as well as worked with multi-pier partnerships and corporate consolidations. Mike joined Brockway, Gersbach, Franklin & Neimeier P.C. in 2017. He provides tax and accounting services to businesses and individuals. His community involvement includes being an active member of the Temple South Rotary Club, as well as serving as a volunteer coach for the Belton Christian Youth Center. Thank you Mike for taking the time to present to our club!
