Representative Shine was born in Houston, and grew up in Navasota, TX. He graduated with a bachelor's degree in business administration from Sam Houston State University, an M.B.A. from Baylor University, and later an investment associate certificate through the executive education program of the Wharton School of Business at the University of Pennsylvania. He retired from the U.S. Army at the rank of Colonel after 30 years of service. He has represented the 55th District in the State of Texas since January 2017. He previously served two terms in the Texas House of Representatives from 1986 to 1990. Thank you, Representative Shine, for your service to our country and the great state of Texas!
