Our program today was the Temple Quarterback Club. The booster club is an important supporter of the football program & Temple Athletics. They are looking for sponsors of the program & of their annual reverse raffle. The focus of the current fundraising efforts is the procurement of new weights for the athletic department. As always coach Stewart gave an inspiring talk. Before Stewart hires a coach he drives them around the district and shows that it is a blessing some students come to school

every day. He tells them "... before you jump on a kids backside this is what he comes home to everyday". Coach is looking for our help he is not looking for handouts, he wants to be part of community that helps its students. The raffle will be held at the Temple Airport on August 11.
