### This Week's Program & News

**Stan Giles**, our new 2nd VP and Broadcaster Editor took a selfie of himself and Boss Lion Randy while he brought the Club fascinating information concerning chipped (EMV) credit cards.

Things to know: 1) Even if you don't have a "chipped" credit or debit card, merchants will continue to take swiped transactions for the next several years. 2) The October 15, 2015 liability shift only effects Merchants. It has no bearing or effect on consumers or card users. 3) If you or someone you know has questions concerning Card Payments, please call me. I'd be happy to meet with you. ~Stan Giles 254-315-9996 (Yeah, yeah, I'll pay the tail-twister)

*"No-Shows" at the Induction Banquet Score big at our first regular meeting of the year!*

**Lion Skeebo** (no last name) amazed the crowd as he was honored with the **Rookie of the Year Award**. Skeebo, you're killin' it man! **Lion Cheryl Traudt** was awarded the coveted **Lion of the Year** award for her amazing work transforming and unifying our clubs logos, brands and public relations. **1VP Dennis Smith** was "plaqued" in recognition of his amazing accomplishments.
