Rucker Preston

In addition to have a first name for a last name and a last name for a first name, Rucker is the Executive Director of Family Promise. FP recently completed construction of the Larry Neal designed Promise House—a 7 bedroom facility to assist people experiencing homelessness. The House also contains a mini-laundromat, a huge kitchen where group dinners are prepared 3 nights a week, and two rooms with beds for the various volunteers who occupy the facility 365 days a year. The house is located at 24th and Ave N and is just the first phase and a multi-phase project.
