**Jon Burrows,**  
County Judge

Judge Burrows gave us a wonderful, enlightening, informative and detailed account of the state of Bell County. He delivered his message very well and all who heard it left better informed than when they arrived. However, I was stuck in Troy and missed every bit of it and Elwood didn't take very good notes. So, if you missed it, like I did, feel free to call the judge at his office at any time and I am sure he will be more than happy to email you his Power point presentation and answer any questions about the county that you may have.

Thank you Judge Burrows for all that you do for Temple Founder Lions Club and Bell County.
