TODAY’S PROGRAM:

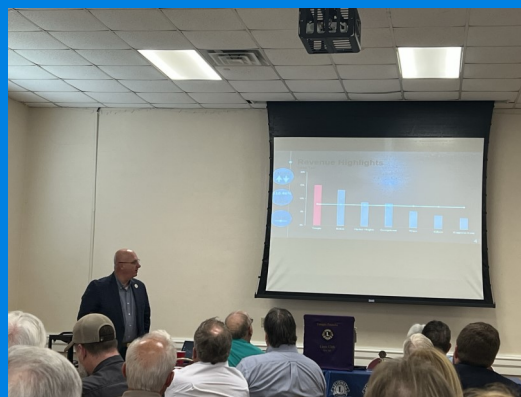

State of the City
Tim Davis

The state of the City is strong. Kegley will get finished one day. Meta is not going anywhere. Property taxes go up. The state legis-

lators are causing trouble. All this and more were discussed during our time today with Mr. Mayor.

Anybody who knows Tim knows he loves pie and bars. He is demonstrating that in the pictures here with his favorites pie chart and bar graph.

We were honored to make a donation to the Ralph Wilson Youth Club at club today. This year, we gave \$2,000 to support the tremendous work RWYC does in our community.
