Lake Belton High School Reactions to COVID-19

This week, we had the new Lake Belton High School Principal, Jill Ross, speak to the club via Zoom. The Head Football Coach for Lake Belton High School, Brian Cope, also joined her to present during

the meeting. They gave us an update on the progress of the new Lake Belton High School. They currently have over 800 students planning to start as freshmen and sophomores this fall. Ms. Ross and Coach Cope told us the various challenges that COVID-19 has brought to their hiring process. They mentioned they have done around 70 Zoom interviews! That sounds tiring! You can see the full presentation at the link below!

The Month of May—Did You Know???

The month of May is named for the Roman goddess Maia, who oversaw the growth of plants. May's birth flowers are the Hawthorn and the Lily-of-the-Valley. The hawthorn means hope, while the lily-of-the-valley symbolizes sweetness or the return of happiness. May's birthstone is the emerald. May Zodiac Signs include Taurus (April 21st—May 20th) and Gemini (May 21st—June 20th). Hope you all have a great week!
