This Week's Program

Dr. Robin Battershell, Temple Wildcat Mentor Program

Dr. Battershell talked about the Wildcat Mentor Program. The program is currently serving over 100 5th grade students. Next year they are expanding the program to both 5th and 6th graders. So they will need close to 200 mentors. She asked if the TFLC would adopt a school.

The mentor program matches adults with at risk kids. They ask for a commitment of at least twice a month, usually during lunch, for about an hour. There are about four other activities during the year .

Robin said that the data is clear. Children in the program have improved in grades, attendance and behavior.

If interested contact Lion Boss Michelle DiGaetano.

Lion boss Michelle DiGaetano asked me to thank the club for all the thoughts and prayers extended to her and her family over the last month. The passing of her father and her marriage to Bill. She wants us all to know how much she appreciates everyone in the club.
