Director of Planning for the City of
Temple

Brian Chandler

Brian is well-versed in all things going on in the City. He gave us a great update on the future plans as well as answered all of our questions about new construction around town.

Check out templetx.gov/planning for a wealth of information and some interesting maps.

Congrats to PP Ariane Secrest on receiving a new pin for bringing two new members into the club. Great job!

As discussed at our meeting, in two days is the anniversary of Bird's Creek Battle. The full story is [here](#). One particularly interesting selection describes the death of Capt. Bird. Capt. Bird was "shot through the heart by an arrow launched by an Indian at the extraordinary distance of two hundred yards, a feat considered incredible to anyone who has ever used a bow and arrow. It was certainly one of the best, or luckiest, arrow shots in the annals of Indian warfare." Now THERE'S some Temple Trivia!
