Involuntary Mental Commitment in Texas

Lion Chris Wohleb spoke about the involuntary process of mental health commitments via the court system in Texas. Unfortunately, jails are currently the largest providers of mental health services in Texas.

In Bell Co, the Division Center is set to open September 2023 with a mental health triage area and a 16-bed crisis residential center. This is a partnership between Bell Co, Central Counties Services, BS&W, and AdventHealth Central Texas.

Shout out to Schexy Cindy and her committee for a fantabulous Golf Tournament and honor to Don Gregory.
