117 Active and 2 associates

Please keep Bud Sperling in your prayers as he is currently undergoing treatments at S & W.

Please bring auction items as it is a good income source for the club. DON'T FORGET!

This Week's Program

We had an enjoyable choir performance from Temple college today. Dr. Sarah Harris Baker is the director and our own Wayne Bachus was the accompanist. Dr. Baker is director of choral activities at Temple college she is a temple native, graduate of Temple high school, Southwestern University, Boston University, and Louisiana State University. She boasts directing and production manager credits from LSU, Opera Louisiana, Natchez Festival of music, Atlantic Coast Opera Festival, and Temple Civic Theatre. Her production of clue plays this weekend at Temple Civic Theatre, and you can hear her sing the soprano solos on Vivaldi's Gloria in December at First United Methodist Church, Temple. In the spring 2016, Dr. Baker will take members of the Temple college corral to New York City to perform at Carnegie Hall
