What Happened at the Meeting

Sherri Woytek, Executive Directory of the Temple Community Clinic, spoke today about the important work that the Clinic is doing for citizens.

The Clinic is a community-based organization providing free health care to Bell County's uninsured workforce since 1992.

The clinic is dedicated to addressing more than just the physical needs of the patients by innovative High-quality services including health education and research. The goal of Temple Community Clinic, Inc., is to be a focal point of compassion and caring in the City of Temple.

For more on the clinic, go to: templecommunityclinic.org

Lion Past President Mike Hamby presents a \$1,000 check to Ms. Woytek to help sponsor the Caring Ball. The Caring Ball is an annual fund raiser held by the Temple Community Clinic.

For more information on the Caring Ball, go to:
