This Week's Program

Sheriff Eddy Lange, And his newest inmate.

Lion Sheriff Eddy Lange hosted our noon meeting at the Bell County Jail. After his staff fed us he took us on a tour of the facilities. Some got to see where the inmates stay, check in and out and eat, while the rest went on the green mile. The green mile is the tunnel where inmates are led to court without having to leave the facility. The sheriff is very proud of the facility and for good reason. We would like to thank sheriff Lange and his whole staff for a very nice time.

A few of our servers.
