Lion Chief Randles invited the club to visit the City of Temple Fire Station 8 / Training Center / West EOC for Fire Prevention Week. The department is putting 2 new apparatus into service with a special push-in ceremony this Saturday. The ceremony dates back to when fire trucks were pulled by horses, because the horses could not back up, the horses were unhooked and firefighters pushed the engines into the firehouse.

Also this week we inducted a new lion, Mike Hicks. Mike welcome to the club & good luck. Abandon all hope, ye who enter here.

Gary if you hit Truck 1 you will probably need to get new auto insurance; its 1.1 million dollars!!!

Engine 7 only cost \$668,000, so you have a shot there.
