Mike Harmon-Director of Bell County Communication Center spoke with the Temple Founder Lions on Wednesday October 10th.

Mike is in charge of the Consolidated Emergency Communications Center for Bell County, which includes the 911 Public Safety Answering Point for Bell County, 34 Law Enforcement Agencies, 18 Fire Agencies, 5 EMS Agencies and offer Mutual Aid/Auto Aid with several agencies that border Bell County. The population of Bell County is approximately 347,833 and covers 1,088 square miles.

Their mission is to provide emergency communication and coordination to assist in the protection of the public and ensure the safety of all responders. The Vision is to be the model for excellence as a multi-functional, multi-jurisdictional emergency communication center. And their Values are Integrity, Responsibility, Teamwork and Respect.

The Operations Goal is to conduct center operations effectively and efficiently so as to outpace all nationally established standards, while providing services to the customers that establish the model of excellence for the State of Texas.

The Staffing Goal is to recruit, hire, train and retain the best people in the field. This includes extensive Pre Hiring Testing, Extensive Background Check, Polygraph and Psychological Testing.

The Quality and Development Goal is to develop, deploy and implement training and development plans focused on the personal and professional growth of team members, insuring the plans align with the vision and mission of our team. They have Individual Career Development Plan and Pay Increases Based on Achieving Performance Milestones.

The Strategic Planning is to develop, deploy and implement a detailed long range plan. The Plan focuses on the succeeding 36 months and is reviewed and updated annually and focuses on continuous improvement in all aspects on the Center's operations.

Mike played samples of some of the 911 calls that have been received by his Department. After his presentation, he answered numerous questions regarding the operations of the Communication Center.
