28th Annual Food For Families Friday November 18

Food For Families is the largest one-day food drive in Texas. This one-day food drive collects non-perishable food & stocks the shelves of area food banks & pantries all across Central Texas beyond the holiday season.

On the Friday before Thanksgiving, volunteers, businesses & community organizations collect food across 9 Central Texas counties. All donated food remains in the county where it was collected for distribution by local nonprofit organizations serving the people in that county. Central Texans have generously donated food & money totaling more than one million pounds each year for the past seven years.

In just the first eight months of this year the CTLC & Love of Christ pantries have distributed 2.3 million pounds of food, that represent a retail value of \$4 million.
