**TODAY'S PROGRAM: Bryan Daniel—  
Managing Director of Amereprise**

Bryan appears to be a Jack of All Trades. He is a drummer for the Church, Leadership Temple graduate, Temple Firefighters Assn. He is married with 2 children.

Bryan spoke about who will be leading us in the future and who leads us now. Baby Boomers are largely in charge now but in the future it will be Gen X and Millennials. He encouraged us to get to know the younger generation as they will be the ones leading us one day. Make sure you have young people on board with your events and committee. Promote interaction with all ages and collaborate together.

John Bailey and his team for the Membership Committee have been busy Lions and created a new Prospective Members Information pamphlet that was passed out to all in attendance. Get busy and recruit new members. More pamphlets are available upon request.
