- 11/2: Fat Boy's BBQ

Rookie of the Year Lion Skeebo presents the Randy Sepulvado Award to our Boss Lion Randy Sepulvado. Lion Skeebo said he deserves the award, "Cause he's killin' it!"

What Happened at the Meeting

Nicole Torralva, Public Works Director for the City of Temple and Kenny Henerson, Transportation Director for the City of Temple spoke at our Lions club meeting today.

Nicole Torralva (shown left) leads the department consisting of many separate divisions that are responsible

for providing quality maintenance and operation services for the City of Temple's infrastructure (streets and water and sewer lines).

Kenny Henerson (shown right) spearheads a \$121 million multi-modal transportation capital improvement program (TCIP). This 10-year program is a result of the city's recent assessment and reports on both the condition of existing transportation infrastructure and the need to improve mobility. Timing and project implementation schedules over the next 10 years will be based on multiple factors which include planning and design, right-of-way acquisition, utility relocations and funding.

Did you know?

- Did you know that white cats with blue eyes are usually deaf?
- Did you know that sound travels 1.3 times faster through water than in the air?
- Did you know that lion's can't roar until the age of 2?
