## Here Is What Happened...

Thank you Lion Cheryl Traudt for arranging Dr Matthew Stephen as the diabetic awareness program today. Dr Stephen graduated Texas A&M in 2003. In 2010 he was appointed at Baylor Scott & White where he

is a Pediatric Endocrinologist.

In 1984 when Matt was 9, he 'learned the true meaning of responsibility' having been diagnosed with Juvenile Diabetes. The summer of the following year also brought a new experience for Matt. Only, this one was a little more worthwhile. It was when the Arlington Lions Club sponsored him & 14 other children at The Texas Lions Camp.

**Diabetes taught me discipline.**
