**TODAY'S PROGRAM: Monty Humble-  
High Road Clean Energy**

Today we heard from Monty Humble, Managing Director for High Road Clean Energy. He let us know about some solar energy projects currently in progress. Texas is #1 for Renewable Energy. There is a bigger demand for energy during summer months which may lead to forced outages during daily peak days.

Mr. Jerry Jones was initiated into this fine organization this afternoon. Welcome Jerry (now get to work). Zoe Grant was presented a check for the NAACP Walk/Run Pink Event. Attendance pins were given out today. Congratulations Lions.
