Temple Wildcats vs.

Waco Midway Panthers

Temple Wildcat Stadium

Congratulations!!!!

Elwood Smith 35 years of TFLC service

John Conner 40 years of TFLC service

Jerry Tyroch 45 years of TFLC service

Our Lions District 2-X3 Governor Lisle Meeker (center, pictured with Nacho Libre and Ace Ventura), came to speak with our Club for our Halloween Lunch Meeting.

District Governor Meeker started his presentation with a joke...

What do you call 20 rabbits marching backwards?

A receding hairline. Ba-dum ching!!!

What Lisle is really concerned with is the receding Lions membership in our district and overall. The reason for concern is because more members equals more ways to help our communities. We currently have 1507 Lions in our district and 1.745 million worldwide members. We can use PSAs to help get word out through social media, newspapers, etc.... We can reach out to people by inviting them to lunch (don't use word-meeting) or to a project. Lisle's goal is to increase District membership by 30 (20 men 10 women) every quarter. He covered some of the changes in terminology and their meanings such as....

GAT-global action team, GLT-global leadership team, GMT-global membership team, GST-global service team. This is the G-staff which will help to improve communication thought Lion-ism. There are webinars on our district Facebook page that will help with the G-staff, along with an abundance of other information.

We as a club and district need to get more community volunteer service hours and log the projects in which we currently participate.

LCIF is 50 years old and needs money to replace money given to recent floods, hurricanes, etc...

Texas Lions Camp needs improvements to their facilities as well as the Lone Star Eye Bank in Manor. Lisle showed us a video of current Lions International President Gudrun Yngvadottir and how her home country, Iceland, has helped shape her creativity and dedication to service. .
