What happened at the Meeting

Save, get out of debt, and plan for
the fun things in life.

Boss Lion Dennis Smith brought another wonderful program to the club this week, Carly Serna with The Finance Plan. She is hosting the best money class ever; **it is at a bar!** The plan is an epic guide to managing money, a step-by-step plan that works. Carly paid off \$35,000 of debt and saved a \$100,000 nest egg by the age of 26. She helps participants pay off debt with her 4-week class. The program has four financial independence days, milestones, or checkpoints. From the first day you start to save 10% of your pay.

Day 2 is getting out of debt

Day 3 is emergency fund 3-12 months of expenses

Day 4 life purchases

If you would like to fight for financial independence.

Run the business of you; manage your business like a boss.
